I own the 2013 base model Hardrock, and not only did it get me into exercise but it might not be as smooth as a bike with a 100mm fork & 29er wheels - but it does the job.

The Rumor is true, the ultimate women's full-suspension trail bike has arrived to give active-lifestyle riders the best-fitting and most-capable bike in the sport.

2013 Camber FSR Expert Evo Carbon 29 $5,500.00
Epic Comp in black higher flange on the disc side, which stiffens the 29er wheel in this high-stress area.
